

CORRESPONDENCE/MEMORANDUM

STATE OF WISCONSIN
Division of Public Health
Bureau of LPHP&EMS

DATE: February, 12, 2009

TO: Wisconsin Emergency Medical Services Personnel

FROM: Brian Litza, Chief, Emergency Medical Services Section
Bureau of Local Public Health Practice and Emergency Medical Services

SUBJECT: Wisconsin Trauma System Coordinator

It is with regret that we must announce that Cathy Etter has resigned her position as the Wisconsin Trauma System Coordinator. After Cathy was offered, and subsequently hired, the department decided to realign programs as it begins to consolidate and create greater efficiencies and better utilize funding sources to provide services to the citizens of Wisconsin. For personal reasons Cathy has chosen not to be part of these initiatives; we wish her well in her continuing career.

As mentioned above we will be sharing with the community, in the very near future, our plans for the trauma system. The department is dedicated to assuring support and direction to this developing system and will work with its partners for its continued success. We appreciate everyone's support during this time of transition.
